There was a discussion on where we should hold the 2019 D&A. Jamie talked about, that it has been held at the CWSF Modern Living Building that last few years. Before that it was held in the Selah Civic Center. Revenue is bigger at the Modern Living Building, than in the Civic Center, however the expenses are more too. Our current group is a lot smaller than we have had in the past and Jamie wanted to make sure that everyone understood that they will have to do more to make it a success. Questions were asked and Loren Queen, whose son traveled with the 2015 group, voiced that the Modern living building is the best choice. A vote was done, and it is in agreeance that we will have the 2019 Dinner and Auction at the CWSF Modern Living Building
